NOTES:
All lots or parcels with given bearings and distances were calculated by traverse closure. All other parcels were calculated by the most accurate means possible with the given information (i.e. length multiplied by width, triangulation, planimeter, scaling from existing map, and coordinate geometry). Acresages shown are net assessable; right-of-way, where applicable, has been removed. Distances & arc lengths less than 50' may not be shown due to space limitations. Parenthetical distances and areas are as plotted.
The basis of bearing for the construction of this assessment map is: The North line of the northeast quarter of section 29 Twp 50N-Range 3W which is taken to be N 89°37'50" W per ROS 12/69 for ITD project ID-I-90-1(89)16

LOCATION OF ROADS SHOWN ARE BASED ON ADDRESSABLE ROAD INFORMATION AND MAY OR MAY NOT BE PUBLIC.
